Biographical Note: Jerome Berryman was born in 1937 in Ashland, Kansas. He married Thea Schoonyoung in 1961, and they had two daughters, Alyda (1962) and Coleen (1967). Jerome

Berryman was educated at the University of Kansas (B.A., 1959), Princeton Theological Seminary (M.Div., 1962 and D.Min., 1996), and the University of Tulsa Law School (J.D., 1969). In addition, he read theology at Oxford University's Mansfield College during the summer of 1966 (Certificate, 1966), graduated from the year-long program at The Center for Advanced Montessori Studies in Bergamo, Italy (Diploma, 1972), and was awarded three post-doctoral Residencies in Theology and Medical Ethics at the Institute of Religion in the Texas Medical Center in Houston (1973-1976).

From 1973 - 1984 Reverend Berryman served various positions in the Texas Medical Center in Houston and as a Fellow at the Institute of Religion. In addition, he was Adjunct Asst. Professor of Pediatric Pastoral Care on the clinical faculty of Baylor College of Medicine 1979-1984, and Adjunct Professor of Christian Education at The Houston Graduate School of Theology.

Between 1984 - 1994 he served Christ Church Cathedral in downtown Houston briefly as a consultant in 1984 and then as Canon Educator. Before being ordained as an Episcopal priest in 1984 he had been a Presbyterian minister since 1962, serving in parishes and schools.

In late 2007, Dr. Berryman established and became the founding director of The Center for the Theology of Childhood, which is part of the Godly Play Foundation.

Dr. Berryman's educational experience with young people is broad. He was the Director of Christian Education in four churches of various size, served as a boarding school chaplain at Culver Military Academy (1965-1968), and did youth work in churches. As a consultant, Berryman was active for many decades in the areas of religious education, child development, the spiritual guidance of children, organizational and family systems, medical ethics, counseling children and young people with suicidal tendencies, the pastoral care of children in hospitals, values curriculum, and other such matters. Papers, lectures, and workshops have been given at conferences throughout the world, especially in the areas of religious education and the pastoral care of children.

Dr. Berryman was a member of the American Bar Association and belonged to the Family Law Section. He was also a member of the Oklahoma Bar Association. In Houston he served on the Ad Hoc Legal-Medical Child Advocacy Committee. He also served as a member of the board of the Religious Education Association.

Arrangement: Within the layout of the collection, it was necessary to separate items that were meant for digitization from those that could not be digitized due to copyright or personally identifiable information. This separation was done to support the digitization process performed by Iron Mountain. While separated there was an attempt to keep like topics next to each other numerically throughout the collection.
